

**DEVOTION -
DEUTERONOMY 6**

Have you ever been utterly devoted to a fad? Why did you keep going/why did you stop?

Read Deuteronomy 6

What is Moses urging the Israelites to do?
List as many instructions as you can find in the chapter.

What three big reasons are given for living in exclusive and total devotion to God? (v4-5, 14-15, 20-24) Divided these among your group.

Just like the Israelites, we are to live in radical obedience to God.
How does Titus 2:11-15 extend our reasons for doing so?

Why are Israel so strongly urged to not forget the Lord? What is Moses great fear for the people as they are about to head into the promised land?

Is this our fear for one another?

How were they to remind themselves and each other?
Draw icons or pictures of each activity.

How would you explain this passage to someone who was about to join our Growth Group later this year?

To be growing in exclusive and total devotion to our magnificent saving God is what we want for each other this year.
From both Deuteronomy 6 and Titus 2 how can we be encouraging each other towards this?

What will that look like?

What won't that look like?

Finish in prayer for each other and your growth group for the year.
